Due to Extreme Fire Danger
Fire Prevention Order # KR-06-01

Due to continuing high to extreme fire hazard conditions, pursuant to the Code of Federal Regulations, the following acts are prohibited on all public lands within the Bureau of Land Management – Kremmling Field Office, in cooperation with the Northwest Colorado Fire Management Unit:

1. Building, maintaining, attending, or using a fire, campfire, coal or wood burning stove, any type of charcoal fueled broiler or open fire of any type in undeveloped areas. Fires within the provided fire grates in developed campgrounds are allowed. Gas stoves are allowed.
2. Smoking, except within an enclosed vehicle or building or in a developed recreation site or while stopped in an area at least three feet in diameter that is barren or cleared of all flammable vegetation.
3. Using explosive material: (ie: blasting caps or any combustible device, which may result in the ignition of flammable material.)
4. Welding, or operating an acetylene or other torch with open flame, except within an area that is barren or cleared of all flammable materials at least ten feet on all sides from equipment.
5. Operating or using any internal combustion engine without a spark arresting device properly installed, maintained and in effective working order meeting either:
 - a. Department of Agriculture, Forest Service Standard 5100-1a; or
 - b. Appropriate Society of Automotive Engineers (SAE) recommended practice J335 (b) and J350 (a).

The following persons are exempt from this order:

1. Persons with a permit or letter of authorization specifically authorizing the prohibited act or omission.
2. Any Federal, State, or local officer or member of an organized rescue or firefighting force in the performance of an official duty.

This order becomes effective at 12:01 a.m., June 28, 2006 and will remain in force until rescinded.
